The Oswego Leather Wrap

A tactile and luxe leather handle wrap designed for kitchen appliances (& more) that matches our gorgeous leather handles & pulls

MATERIALS

- Hand-dyed American vegetable-tanned leather

walnut

ORIGINAL MODERN DESIGNS
<https://walnutstudiolo.com>

New in 2023, our Oswego wrap comes as a kit that can be installed on any shape handle.

The kit features:

- High-quality American leather that is durable in all the elements, warm to the touch, and has an outstanding handfeel
- Cleans easily and will develop a rich patina with age and use
- Will last a lifetime: can be un-installed and re-installed on new appliances and moved from house to house
- A staple extension system for connecting multiple wraps on extra-long handles (even bannisters!)
- An optional leather "cuff" for neatly-finished ends

The Burnside

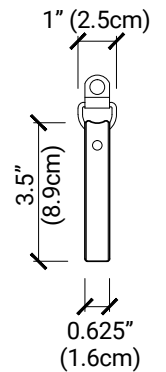

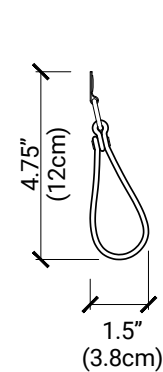

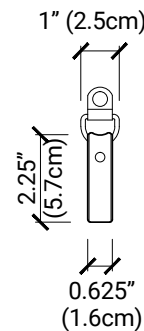

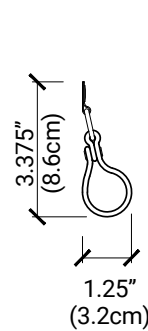

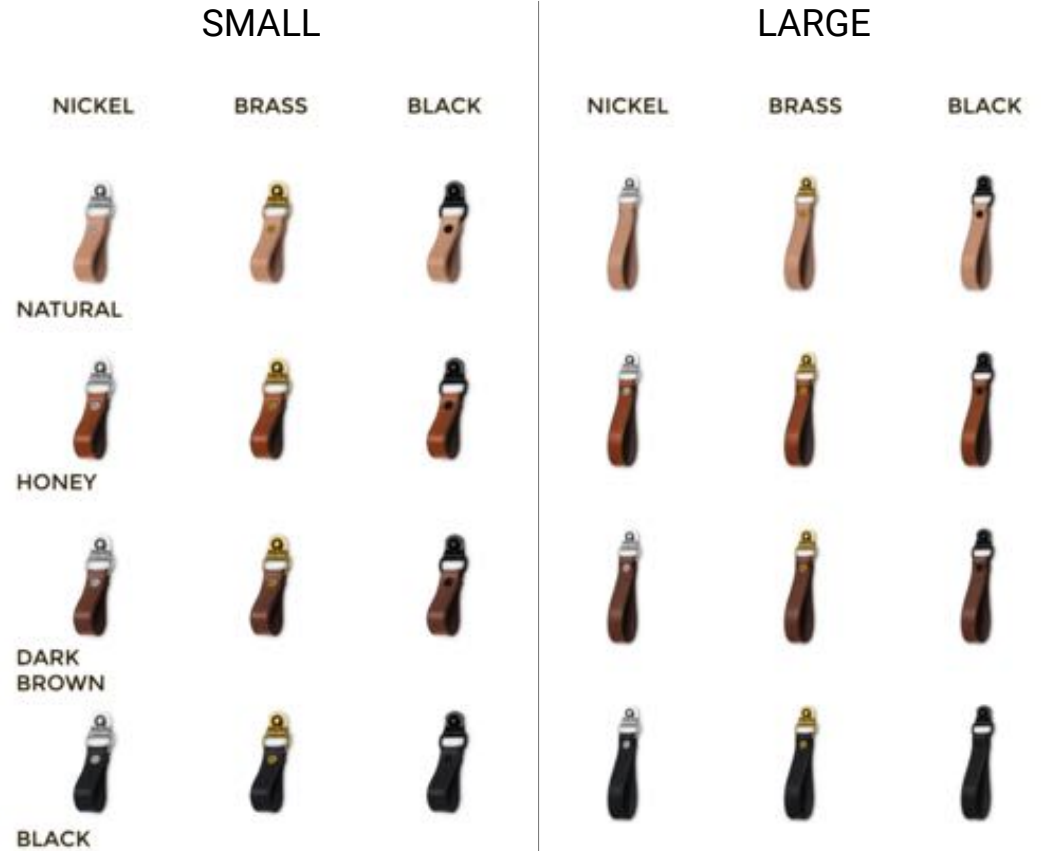

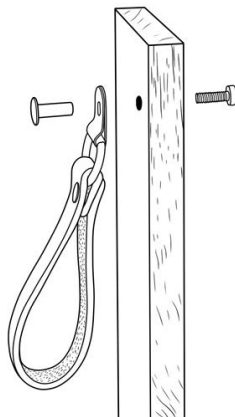

A flexible hinge and an open loop make for easier grasping and perpendicular pulling.

MATERIALS

- Hand-dyed American vegetable-tanned leather
- Nickel, Brass or Black hardware

The Fremont

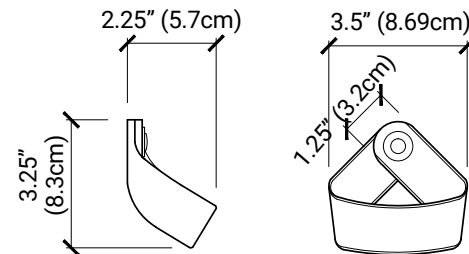

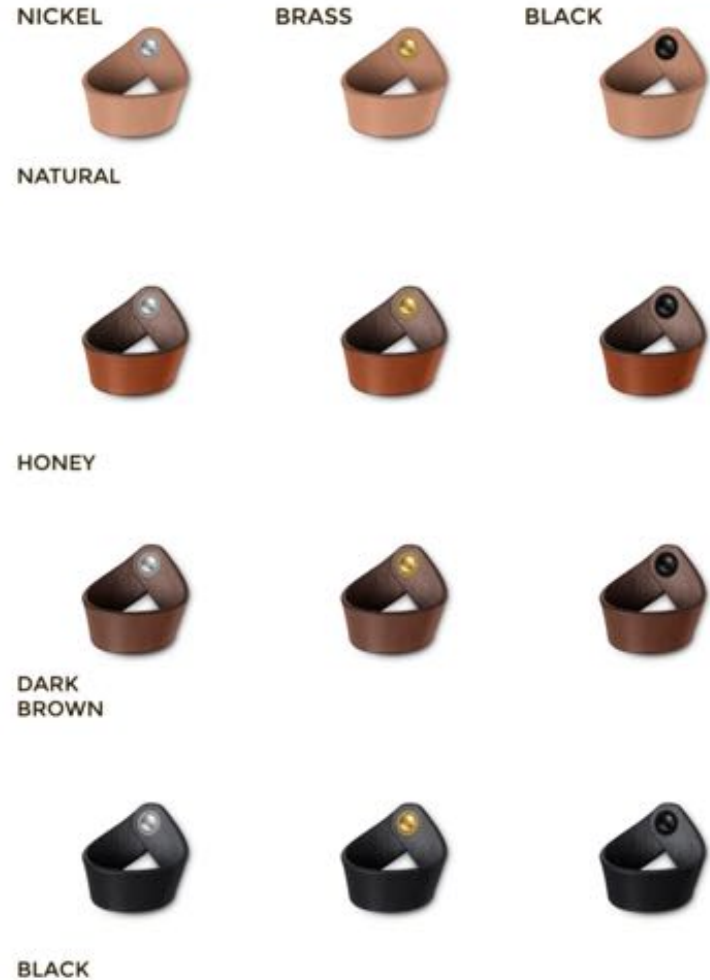

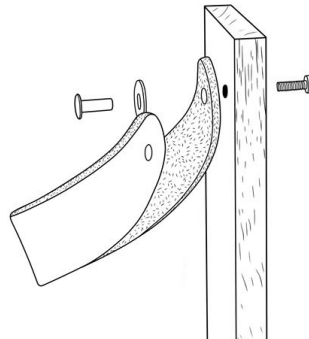

The Fremont is a horizontal basket pull perfect for reaching down to drawers. The same pull can also be folded into a vertical loop as the Hawthorne Wide.

MATERIALS

- Hand-dyed American vegetable-tanned leather
- Nickel, Brass, or Black hardware

The Morrison

The shape of our bin pull mimics the look of vintage metal bin pulls, but it's made with sturdy leather, warm to the touch and soft on impact.

MATERIALS

- Hand-dyed American vegetable-tanned leather
- Nickel, Brass, or Black hardware
